

## Istobal increases its partnership with Motor Fuel Group

**MFG has around 900 stations operating under the BP, Shell, Esso, Texaco, JET and Murco fuel brands, many of them equipped with Istobal vehicle wash and care solutions.**

Istobal UK has increased its partnership with Motor Fuel Group (MFG) becoming the preferred car wash supplier of the largest independent forecourt operator in the UK. MFG has renewed its contract with Istobal which includes the supply of car wash machines and chemical products, as well as maintenance service for another three years.

Due to this agreement, in 2019, around 28 Istobal M'Start rollovers and 95 single-bay jet wash systems, vacuum cleaners and air units will be installed onto MFG sites.

Apart from MFG, Istobal works with many other key accounts in the UK, such as Euro Garages, Rontec, Harvest Energy, SGN and Penny Petroleum, among others.

Motor Fuel Group (MFG) is the largest independent forecourt operator in the UK. It has around 900 stations operating under the BP, Shell, Esso, Texaco, JET and Murco fuel brands.
