

Qatar: WOQOD opens new site at Ras Bu Abboud

By this raised its network of various petrol stations to 88.

Qatar-based petro company WOQOD has recently accelerated the process for the construction of new petrol stations to meet the fuel and energy needs of the country. The new Ras Bu Abboud petrol station is spread over an area of 15200 square meters and has 3 lanes with 9 dispensers.

The new site offers round-the-clock services to residents, and includes sidra convenience store, manual car wash, oil change and tire repair, and sale of LPG cylinders, in addition to sale of gasoline and diesel products for light vehicles.

WOQOD's Managing Director & CEO, Saad Rashid Al Muhannadi, announced that WOQOD is currently overseeing the implementation of 23 new petrol stations, which most of them will be operational in the current year 2019.

"As part of its strategic expansion plan, WOQOD is targeting the achievement of a total of 114 fuel stations by the end of 2020," Al-Muhannadi concluded.
