

USA: Love's c-stores opens two new locations

Love's Travel Stops & Country Stores has opened new locations in New Georgia and South Carolina.

“Love’s is pleased to bring two more convenient, clean and friendly locations to the southeast,” said Tom Love, founder and executive chairman of Love’s. “We’re proud to add parking spaces to areas where our customers need them, and both of these locations are conveniently located directly off the interstate.”

Both locations are open 24/7 and offer many amenities for professional truck drivers and motorists, with access to gasoline, diesel fuel, fresh coffee, restaurant offerings and more.

Love’s operates more than 500 locations in 41 states. Founded in 1964 and headquartered in Oklahoma City, the company remains family-owned and operated and employs more than 25,000 people.
