

## **Qatar: WOQOD opens new site**

**The company raised its network of various petrol stations to 94.**

Qatar Fuel WOQOD opened Al Khor Petrol Station this week. The site is spread over an area of 15000 square meters and has 4 lanes with 12 dispensers for light vehicles.

The new station offers round-the-clock services to residents, and include Sidra convenience store, manual car wash, oil change and tire repair, and sale of LPG cylinders "SHAFAF", in addition to sale of gasoline and diesel products for light vehicles.

WOQOD is currently overseeing the implementation of 18 new petrol stations, which most of them will be completed in the current year 2019.

As part of its strategic expansion plan, WOQOD is targeting the achievement of a total of 114 fuel stations by the end of 2020, announced WOQOD's Managing Director & CEO, Saad Rashid Al Muhannadi.
