

## USA: Go Car Wash expands in Kansas city with 9 locations

**GO Car Wash continues its Kansas City market expansion with the acquisition of nine Belfonte's Car Wash sites.**

Go Car Wash acquired 9 Belfonte's car wash location in the Kansas City market, the company announced in a press release. This move gives GO Car Wash a total of 18 locations in Kansas City.

"Since first entering the Kansas City market in May 2019, we have been impressed with Henry and David Belfonte's stellar service and are excited about Belfonte's joining GO Car Wash," said Darren Skarecky, CEO of GO Car Wash. "The Belfonte name has an incredible reputation in the Kansas City market, and we are honored to bring their washes into the GO Car Wash family."

GO Car Wash is focusing on creating clusters of carwashes throughout prosperous cities across North America.

"This acquisition aligns with our plan of operating as many as 30 locations in the Kansas City region," said JT Thomson, chief development officer at GO Car Wash. "Moreover, through ongoing acquisitions and new buildouts, we continue to grow the GO Car Wash brand across the country."

Most recently, GO Car Wash completed its acquisition of four carwash sites in Las Vegas, which, following the acquisition of the nine Belfonte's Car Wash sites, brings GO Car Wash to a total of 22 locations.
