

Franklin Fueling Systems appoints new Vice President

Fevzi Apaydin has been promoted to the position of Vice President of Sales, EMEA and India.

Franklin Fueling Systems, a global leader in total system solutions for the petroleum equipment industry, announced the promotion of Fevzi Apaydin to the position of Vice President of Sales, EMEA and India.

Fevzi has over 28 years of combined experience in the petroleum equipment industry. Over the last 14 years, he has held various positions within Franklin Fueling Systems including his most recent role as Sales Director of Middle East, Western Asia, and India. Fevzi holds a Mechanical Engineering degree from Bosphorus University and an MBA in Business Management from Istanbul University.

Speaking on his new appointment, Fevzi commented, "I am very excited to have the opportunity to support our customers throughout the EMEA and India markets and focus our efforts on delivering world class products and solutions to meet their business needs."

"Fevzi brings a strong customer-focused perspective to this new position," said John Adrian, Sr. Vice President of Sales. "That coupled with his many years of experience in our industry make him the right person to direct our growth throughout EMEA and India."

Fevzi will continue to base his operations out of Istanbul, Turkey.
