

## Merger of the ELAFLEX HIBY Group

**ELAFLEX - Gummi Ehlers GmbH and ELAFLEX HIBY Tanktechnik GmbH & Co. KG will operate under one single umbrella.**

After more than sixty years of cooperation, all business and production activities of the two affiliated companies ELAFLEX - Gummi Ehlers GmbH and ELAFLEX HIBY Tanktechnik GmbH & Co. KG have been brought together to operate under one single umbrella.

With retroactive effect from 1 January 2020, they changed their name to ELAFLEX HIBY GmbH & Co. KG. All production and distribution sites including contact details will stay the same.

Thorsten Wasmuth will be a new member of ELAFLEX HIBY management to promote a distribution division. Moritz Hiby will be the managing director of the Plettenberg-based factory and will continue to be responsible for production. Stefan Kunter will continue on executive duties as CEO and Managing Director.

“We will strengthen our position in both the domestic and international markets, at the same time substantially improving our processes and increasingly focusing on new business segments. This approach will sustain our efforts to ensure the first-rate quality of our products and the reliability of our services – it forms a good basis to continue our excellent cooperation with our business partners,” said the company in a press release.
