

Anders Malm to manage portfolio and trading for Gasum

Anders Malm joins the Gasum Management Team as Senior Vice President.

Gasum has appointed Anders Malm to head its Portfolio Management and Trading business and as member of the Gasum Management Team. He will start in his new role on June 16, 2020.

“We warmly welcome Anders Malm to Gasum and to lead our Portfolio Management and Trading business. His solid track record in energy markets supports the implementation of our growth strategy and our journey towards a cleaner tomorrow. The broad experience that Anders has in trading, logistics and business development will be an excellent complement to our team at Gasum,” says Johanna Lamminen, Chief Executive Officer at Gasum.

Anders Malm (1972) joins the Gasum Management Team from Emercor Consulting, where he has been CEO since 2018. Before joining Emercor Consulting, Malm served as Executive Vice President for Supply & Trading at Preem AB and a member of Preem Management Team Sweden in 2015-2018. He has held several senior management positions at Preem AB since 2004 and has over 25 years’

experience in the downstream oil & gas industry.
