

USA: EG Group partners with United Way to support local organizations

Funds raised will benefit non-profits that help provide youth development and educational resources.

EG Group and the 1,682 convenience stores it operates across the United States announced an in-store fundraising campaign with United Way. EG donations will help drive funding for youth development and educational resources across the communities in which EG Group convenience stores operate.

To participate in the cause, customers may visit their local EG convenience store from September 9th through October 9th and donate a dollar amount of their choosing to a local United Way chapter at checkout.

"We could not do our work of advancing the common good in our communities without generous and committed partners like the EG Group," said Peter Najera, President and CEO of the United Way of the Plains. "We are grateful for their support, and are proud to partner with them in striving to develop our youth through education so that they may thrive as adults and make our communities great places to live and work."

The convenience stores participating in the fundraiser include Cumberland Farms, Certified Oil, Fastrac, Kwik Shop, Loaf 'N Jug, Minit Mart, Quik Stop, Tom Thumb, and Turkey Hill.
