

USA: Tommy's Express Car Wash opens new location in Wausau

The national chain of car wash sites continues to expand and now reaching over 50 stations.

Tommy's Express Car Wash opening new location in Wausau. The grand opening event through Saturday, September 19 which will include special offers, giveaways and other promotions.

Tommy's Express is a next-generation, high-efficiency national car wash providing faster with affordable pricing and membership packages. Each location is equipped with an approximately 130-foot dual belt conveyor system, soft cloth brushes, tire shine service, body wax and a license plate recognition system for Tommy Club members. Self-service interior vacuuming is available on-site.

The Wausau location is the second Tommy's Express Car Wash in the area, joining the location in Weston which opened earlier this year.

"We are thrilled to bring another amazing Tommy's Express car wash to the Wausau community," said Ryan Essenburg, President and Chief Innovation Officer of Tommy's Express. "Our team is totally committed and excited to give our new guests the best car wash experience possible. I invite all of Wausau to come out, win a prize, and put us to the test. We will do whatever it takes for our guests to leave our car wash completely satisfied."

Tommy's Express Car Wash has 230 future sites currently in development in the United States and abroad.
