

International Car Wash Group acquires three sites in Nashville

With this acquisition, ICWG grows to 29 wash locations in the state of Tennessee.

The International Car Wash Group (ICWG) has announced the acquisition of Sudsy's Car Wash, a business with three locations in the southern suburbs of Nashville, Tennessee.

With this acquisition, ICWG grows to 29 wash locations in the state of Tennessee and 9 locations in the Nashville Metro Area.

"We are very excited to welcome Sudsy's to the ICWG family," said Gabe Mendoza, President of ICWG North America.

Sudsy's first location opened in 2009 in Murfreesboro and the family-owned business has expanded to the Spring Hill and Columbia communities over the last decade.

"We are confident that ICWG is the right partner to maintain the level of service to our customers and communities, as well as the best opportunity for our employees to grow professionally," said owner Troy VanLiere.

The fast-growing Nashville Metro continues to be a priority for ICWG's growth plan with previous acquisitions Wash 'N Roll and Mister B's marking entry to the area.

ICWG operates over 900 locations in 14 countries across US, Europe and Australia, with over 200 US venues.
