

USA: Golden Oil to open a new Amoco location in Wisconsin

The new location in East Somers will also serve as Golden Oil's headquarters.

Golden Oil Co., a company offering wholesale distribution of petroleum and petroleum products, will open a two-story Amoco fuel station and convenience store in East Somers, Wisconsin. The new location is scheduled to open in March 2021 and will also serve as Golden Oil's headquarters, according to a news release.

The 7,500-square-foot facility will feature three fast food restaurants, including Subway, Hunt Brothers Pizza and Chester's Chicken, announced Golden Oil CEO and Founder, Paul Bhardwaj.

"It will provide needed products and services that are not currently available in the area," said Bhardwaj. "We find Somers to be a great place to do business. We found the Village Board shares the same interests as we do to improve Somers."

Golden Oil Company was founded in 1981. The company operates several Wisconsin sites. Other Golden Oil locations are in Janesville, Sun Prairie, Cottage Grove, Osseo and Brownsville.
