

Raceway Car Wash acquires two Metro Car Wash locations in Reno

Raceway expands its Sierra Car Wash brand to nine locations - eight in the Reno area and one in South Lake Tahoe.

Raceway Car Wash (RWCW) and Clear Sky Capital announce the acquisition of two Metro Car Wash locations in the Reno area.

With this acquisition, RWCW expands its Sierra Car Wash brand to nine locations - eight in the Reno area and one in South Lake Tahoe.

"We're thrilled to enhance our presence in the Reno and Tahoe area. Guest experience is at the core of everything we do and adding these new locations will enable us to better serve our existing guests, in addition to adding new guests to the Sierra Car Wash family," said Chris Book, President of Raceway Car Wash.

Raceway Car Wash first entered the Reno market in February 2016 with the acquisition of six locations purchased from Richard Miller. They added an express location in South Lake Tahoe, which opened in March 2017.

"We are very excited to continue our growth in the Reno market with the acquisition of two high producing Metro Car Wash locations," said Raceway's Director of Acquisitions Andrew Schell.
