

## News from Berrys - summer steel offers, signs and labels, EROS in Malaysia

Global forecourt technology partner Berrys presents its attractive summer discounts on steel tube and fittings.

### Signs and Labels

- Forecourt Signs e.g. grade labels, caution and warning signs, pump labels, tank labels, vent labels
- Health & Safety Signage
- A-Frames, fascia panels, notice signs, plaques

A new engraving machine in-house enables Berrys to laser engrave a much wider range of goods and to engrave more intricate designs.

### Product News

- EROS Easy Riser is currently being retro-installed into 45 sites in Malaysia for Shell, with 2016 looking to be a busy year for EROS installations in the region
