

USA: Washtech celebrates 20 years in the car wash industry

Mid Atlantic Car Wash Technologies Inc. (Washtech Inc.) recently celebrated its 20th anniversary as a full service provider of carwash systems, solutions and service throughout the mid-Atlantic region

Based in Charlottesville, Virginia, with a secondary base in Whitehall, Pennsylvania, Washtech has been a long-standing distributor partner with PDQ, CSI – Lustra, SONNY's, Carolina Pride and other industry leading companies, the release said.

In a company-wide celebratory event of 45 team members, President Craig Hanson cited company culture and people as key components to Washtech's tenure, reports Professional Carwash and Detailing.

According to its website Charlottesville-based Washtech has an installed carwash base of over 700 units.
