

## DFS wins two advertising prizes in the MarCom awards

**Dover Fueling Solutions (DFS) received two recognitions by the Association of Marketing and Communication Professionals (AMCP) for two separate pieces of advertisement.**

DFS has won two AMPC recognitions, an award for their Tokheim Quantum fuel dispenser advertisement and another for their DFS video.

The MarCom Awards is an international competition which honors excellence among marketing and communication professionals, and receives about 6,000 print and digital entries every year.

With assistance from their agency, Baliwoo Productions, the [‘Tokheim - Transform Your Forecourt’](#) advertisement received the highest possible honor, a Platinum Award, in the category of Print Media | Print Creativity | Poster. The ‘DFS - Who We Are’ video, which can be seen [here](#), received a Gold Award in the category of Video/Audio | Video/Film | Corporate Image.

“The DFS Marketing Communications team strives to deliver impactful creative to our customers,” noted Brad Schumacher, VP of Marketing and Key Accounts for DFS.

Newly formed DFS delivers advanced fuel dispensing equipment, electronic systems and payment, fleet systems, automatic tank gauging and wetstock management.
