

USA: Mark VII partners with Wash-n-Shine Car Wash Systems

Car wash equipment manufacturer Mark VII is expanding its reach into three states with new partnership.

Mark VII Equipment Inc., the North America subsidiary of WashTec AG of Germany, the world's largest manufacturer of vehicle cleaning systems, has partnered with Wash-N-Shine Car Wash Systems to sell and service Mark VII products in Kentucky, eastern Indiana and southwestern Ohio.

"We see significant growth opportunity in this market," said Rob Raskell, Director of Distribution for Mark VII. "Wash-n-Shine has an excellent reputation for serving the needs of carwash operators and we look forward to doing great things together."

Founded in 1999 and based in Louisville, Wash-N-Shine also operates six of its own carwash facilities.

"I'm excited to be able to offer Mark VII carwash systems to our customers," said Mark McAdams, owner of Wash-N-Shine. "They are a high quality equipment manufacturer and their diverse product line is a great fit for our market."
