

## OpenRoom Events announce the first PetroForum for Europe, April 2019

**Long-time industry experts OpenRoom, are delighted to announce the launch of PetroForum Europe, an event for the European fuel retail market which will take place on 8-9th April 2019 in Sitges, Spain.**

The event joins an established portfolio of PetroForums which boast a long history of success dating back 14 years. First established in 2004, the PetroForums take place around the world, with events in APAC, in Africa, in the Middle East and in UK & Ireland.

Over the years, PetroForum has built a loyal client list of oil company retail and engineering teams, independent fuel retailers and the world's leading suppliers of equipment and services.

Says Managing Director Emma Faure: "This is an exciting new development in the PetroForum portfolio. We're looking forward to working with our international partners and introducing new clients to our style of events. Every single one underlines our commitment to quality and to putting our clients first".

The company is working with key associations and media groups to ensure full industry support. The event takes place on 8th-9th April 2019 at the Dolce Sitges, on the shores of the Mediterranean, just minutes from Barcelona Airport and Barcelona city centre.
