

Otto Christ looks forward to the UNITI expo on 15.-17.05.2018: Hall 1, Stand 1H40

The UNITI expo, the leading car wash trade fair, will take place in Stuttgart from 15th to 17th May 2018. In a short time, the UNITI expo has grown into Europe's leading car wash trade fair. Located in the heart of Europe, Messe Stuttgart is conveniently accessible by air, road and rail. This convention centre also offers outstanding service for event organising.

Otto Christ AG - The Real Car Wash Factory

As an innovation leader, Otto Christ AG presents the latest technology in rollover wash units, self service wash parks, wash tunnels, modern payment systems, water recycling, Christ-Xpress and Christ CAR CARE.

We're all set for the Expo and are already looking forward to seeing you there.

So note that date in red in your diary right now!

You'll find us in Hall 1, at stand 1H40

For many weeks now, innovation has been in the offing at our wash systems plant!

New ideas, innovative products and digital transformation in the vehicle washing sector are the keys to our future, and these are what drives us on. We take on the challenges stemming from new vehicles and digitalisation, for example simplifying cashless car washing, and we are committed to customer convenience. We are inventors, we are manufacturers, and we are passionate about the machines we make. We're More than CAR WASH!

With "More than CAR WASH!" as our motto, we'll be presenting our latest developments for an even more successful wash business at UNITI EXPO, the leading car wash trade fair!

Experience innovative VARIO SPEED, GENIUS and AQUATUS PRIME rollover wash units, and get hands-on insight into the latest wash tunnel systems, self service wash park equipment, digital payment systems, and our sensational design and technology.

At our stand in Hall 1 we'll be demonstrating how Christ AG not only meets the challenges of the vehicle washing sector but also, as an innovation leader, offers solutions that ensure long-term business success for the investor. Customer-oriented and customer-friendly solutions, along with further development of our systems and technologies, matter to us.

Customer convenience, the wash experience and wash results are our priorities. Our customers benefit from

- Low resource use per vehicle wash – more earnings per vehicle wash
- Short wash times – high throughput rate
- Modern payment systems and industry 4.0 networking – for car wash management
- New intelligent wash systems – opening up new customer groups
- Show and experience – unique positioning in a fiercely competitive industry
- High performance and quality – optimum results in washing, drying and polishing
- Optimum service – fast installation, high availability and low costs

Otto Christ AG has been family-owned since it was founded in 1879 and has over 55 years' experience in making vehicle washing systems. We stand for quality, efficiency, uniqueness, success, reliability and customer service.

We know the car wash business and the facility operators, and we can meet all challenges in the vehicle washing sector. We are committed to developing and producing customer-oriented, tailor-made solutions.

This task drives us on in continual pursuit of innovation and new development.

More than CAR WASH!

Our trade fair team will be happy to see you. You'll find us at the fair in Hall 1, stand 1H40.
