

Dover Fueling Solutions and Kingspan form new industry partnership

Dover Fueling Solutions has announced a new partnership with Kingspan, a global market leader in above-ground AdBlue storage and dispensing solutions, connecting two global powerhouses in the AdBlue equipment sector.

According to the terms of the agreement, DFS, under the brands of Wayne Fueling Systems and Tokheim, will join with Kingspan to offer a package of AdBlue retail dispensers and AdBlue storage tanks to the retail and commercial fueling industry in Europe and beyond.

“This is a truly exciting time for the industry. We are excited to be working with DFS where we can collaborate and provide innovation, manufacturing and excellence in the AdBlue equipment sector,” said Kirstie Lassalette Desnault, Global Commercial Lead in AdBlue Equipment for Kingspan.

DFS, a Dover company, comprised of the businesses of ClearView, Fairbanks, ProGauge, Tokheim, Wayne Fueling Systems and OPW’s Fuel Management Systems, and a global provider of advanced fuel dispensing equipment, electronic systems and payment, automatic tank gauging and wetstock management solutions.

Lise-Lotte Nordholm, Global Product Director for DFS, noted, “The timing of this partnership couldn’t be better with the recent launch of Kingspan’s iconic SlimLine Edge AdBlue Storage product.”
