

More than 800 Fifth Third Bank ATMs at Speedway c-stores

More than 800 Cardtronics ATM at Speedway convenience stores will soon carry the Fifth Third Bank brand, providing more convenient and fee-free cash access to its clients.

Cardtronics, the exclusive provider of ATM services to Speedway and has years of ATM services relationship with Fifth Third Bank, will begin outfitting its Speedway c-store ATMs with Fifth Third branding.

Approximately 480 Fifth Third Bank ATMs will be available in Ohio, 230 in Indiana, and 135 in Kentucky.

“The introduction of Fifth Third-branded ATMs at select Speedway locations demonstrates the essential nature of convenient cash access as a banking service, and the importance of a bank’s brand being physically present and seen at our premium retail ATM locations,” said Brian Bailey, Cardtronics Managing Director – North America.

Speedway is the second largest company-owned and -operated convenience store chain in the United States with approximately 2,740 stores located in 21 states.
