Orpak at UNITI expo - Introducing Passport X

Passport® X, Orpak's innovative solution for retail c-store & fuel station management, introduced at UNITI expo, gained a lot of attention.

This feature-rich 3rd generation management solution is especially designed for fuel retailers operating a c-store as part of their stations, providing them a fully customizable POS system, and a state-of-the-art cloud-based Head Office (HOS) architecture that facilitates a cloud-based Back Office Solution (BOS).
