

SINCOPETRO

Trade Union of Retail Trade in Petroleum Derivatives of the State of São Paulo (Sindicato do Comércio Varejista de Derivados de Petróleo do Estado de São Paulo, Sincopetro) works tirelessly to improve the business environment of its members, seeking to defend collective and individual rights and interests, offering them facilities and support in the necessary decisions.

The Union offers its associates all the support and information specific to their business through the structure that involves the services offered by the entity, managed by a highly specialized and trained team in the segment of resale of fuels.
