

NGVA Europe

The Natural & bio Gas Vehicle Association (NGVA Europe) is a European association that promotes the use of natural and renewable gas as a fuel in vehicles and ships. Founded in 2008, its 135 members from 31 countries include companies and national associations from across the entire gas and vehicle manufacturing chain.

NGVA Europe is a platform for the industry involved in producing and distributing vehicles and natural gas, including component manufacturers, gas suppliers and gas distributors. It defends their interests to European decision-makers to create accurate standards, fair regulations and equal market conditions.

NGVA Europe creates networks among interested stakeholders to reach consensus on positions and actions to expand the market for the natural gas transport system. It also collects, records and communicates reliable facts and significant developments in the market.
