

Petrol PLAZA

TPDC - Tanzania Petroleum Development Corporation

Tanzania Petroleum Development Corporation (TPDC) is the National Oil Company of Tanzania through which the Ministry of Energy and Minerals implements its petroleum exploration and development policies. TPDC has a manpower strength of about 400 and is organized into seven directorates and three Units, namely: Directorate of Upstream, Directorate of Downstream, Directorate of Finance, Directorate of Legal Services, Directorate of Cooperate Strategy and Planning, Directorate of Corporate Management, Directorate of Internal Audit, Communication Unit, Procurement Unit and Risk Management Unit. TPDC was established through the Government Notice No.140 of 30th May 1969 under the Public Corporations Act No.17 of 1969. The Corporation began operations in 1973. TPDC is a wholly owned Government parastatal, with all its shares held by the Treasurer Registrar.

Our Vision

To become a leading integrated National Oil and Gas Company competing nationally, regionally and globally in an environmentally responsible manner to the benefit of all stakeholders.

Our Mission

To participate and engage in the exploration, development, production and distribution of oil and gas and related services; facilitate a fair trading environment; safeguard the national supply of petroleum products; at the same time developing quality and safety standards to protect people, property and the environment.
