

BSI - British Standards Institution Group

BSI is the business standards company that helps organizations make excellence a habit – all over the world. Our business is enabling others to perform better.

BSI has played a leading role in developing a new generation of standards to help organizations become better governed and more responsible such as anti-bribery, organizational governance and asset management. BSI has also increased collaboration with experts in new fields such as smart cities, nanotechnologies, cell therapy and Building Information Modelling (BIM).
