

## Wayne Fueling Systems (part of Dover Fueling Solutions)

With offices on five continents, manufacturing facilities on four, and thousands of employees worldwide, the Wayne brand has shaped the retail and fleet fueling industry ever since its modest beginnings in 1891. Known for combining cutting-edge technology with exceptional customer focus and win-win industry partnerships, Wayne Fueling Systems (Wayne), part of Dover Fueling Solutions, has become one of the leading brands offering integrated solutions to its customers in the retail and fleet petroleum industry.

Dover Fueling Solutions' Wayne products are largely responsible for the innovations that contribute to the look and functionality of the modern service station. From dispensers and POS systems to retail intelligence and after-sale support services, Dover Fueling Solutions is committed to continuing its long tradition of providing innovative, customercentric solutions in all facets of the industry.
