Enterprise Software Reimagined

PDI, the leader in enterprise management software for the convenience retail and petroleum wholesale markets, delivers solutions to connect to intelligent business. Our people-first approach, combined with our 30-year heritage and best-in-class technology, helps you thrive in today's digital economy. We're passionate about your success and delivering exceptional customer experiences. It's time to reimagine enterprise management and connect to intelligent business.

Experience the PDI Difference

When you choose PDI, you get more than software. We go beyond business and tirelessly dedicate ourselves to your success. Our reputation for first-rate customer service and long-lasting relationships reaffirm one thing: we're a people-first company. Yes, we build powerful software, but we also deliver exceptional service like you've never seen. That's the PDI difference.

Where we are going

Our vision is simple. We want to be the global leader in enterprise management software to the convenience retail and petroleum wholesale industries, and we're well on our way. People often say it takes a village to raise a child. The same could be said of building a great company. With the help of our amazing team and loyal customers, we're writing new pages in our success story every day. Join us for the next chapter!
